

Export Controls & Sanctions Express Check-up

*CHF 7'000
all-inclusive (*)*

*We offer an attractive and comprehensive **one-day** review for Small and Medium Swiss Enterprises*

- Introduction to export controls & sanctions
- Review of operations/Risk assessment
- Approach to classification of dual-use products
- Recommendations
- Short report summarising key findings

The workshop is interactive and pragmatic.

We will prepare it with you and use a data analytics tool PwC has developed for this purpose.

Call or e-mail us today – contact details are on the back of this flyer.

() excluding VAT and expenses*
